### SPECIAL REPORTS:

#### Transportation

- State of aviation in 2008: Houston (and elsewhere), we've got a problem
- Increasingly popular Amtrak merits boost
- H.R. 6052 encourages use of mass transit and promotes its environmental benefits
- Wholesale changes needed to erase causes of decline across the sector
- New way to fund infrastructure would aid all states
- Fuel-efficient freight rail deserves more federal support
- High-speed trains are panacea for busiest corridors
