**Subject:** Request to be on the Guest List for Rock Hill, SC

Hi Rhona,

Happy New Year to you! I hope you were able to enjoy some holiday time and relax a bit. I am sure you must be busier than ever with Donald running for president.

I am writing as you suggested to respectfully request that you can please add me to the list of pre-event visitors for Mr. Trump's rally Friday, January 8th., in Rock Hill, South Carolina. I am traveling to Charlotte, NC on Thursday to attend the Trump Rally with friends on Friday. I have a ticket to the rally, but I would very much like to wish Donald well and show my support for his campaign personally. Could you arrange a quick hello for me?

I will follow up with you later in the week. I would really appreciate your help.

Thank you.

Warm regards,

Jill

**Subject:** I have a message from Gary Busey for Donald

Hi Rhona,

I didn't get to mention that last month I worked with Gary Busey on a television commercial in New Jersey.

He is both incredibly amusing and amazingly talented actor. We definitely hit it off. He is definitely all for Trump for President.

He called me today to wish me a Happy New Year and he asked me to pass on a message to Mr. Trump. It's one of his Buseyisms. I remember he talked about it on his unforgettable Celebrity Apprentice appearances. Here it is:

T aking  
R edirection  
U nderstanding  
M assive  
P ower

He asked me to pass on to Donald "that it's a gift from Gary Busey to use as a subtext in his campaign."

He also offered to play a song or do anything he could to help the campaign. Here's a photo we snapped at the shoot.

I also want to put it out there that I would be willing to say at a rally or somewhere how DJT helped me with my self-confidence and all positive things about how he is with women to counter any potential negativity that may come out at some point in the campaign.

I'll call on Wednesday for a contact name or number so I can see Donald for a few minutes before the Rock Hill, SC rally.

Thank you very much, Rhona.

**Subject:** Fwd: Thank You for Attending the Rally Yesterday!

Dear Rhona,

Thank you very, very much for arranging reserved seats for us. The rally was very exciting and we enjoyed every minute of it.

If there's anything I can do to work on the campaign, I am ready and willing to work. And of course, If Donald or anyone of the staff or his family need makeup/hair services for press, etc. I'd be happy to donate my services.

Rhona, if there's anything I can ever do for you, please don't hesitate to call. You've always been very lovely to me and I very much appreciate it.

Thank you!

Warmly,

Jill Harth

Dear Jim,

Thank you very much for treating me and my guests so well at the rally Friday night. I felt very special and it was an incredibly exciting night. It was so good to see Donald again. Thank you very much for giving him the MadeMan products from my men's grooming line and taking us to see him.

I am definitely willing to work for the Trump campaign. I have others who will join me in supporting in any way we can as we want Donald J. Trump for

President. If you have any suggestions or additional contacts for me in New York, where I live, please let me know.

Again, thank you so much, Jim.  
It was a real pleasure to meet you.  
I hope to see you again.

Kindest,

Jill Harth
