This notice does not grant any immigration status or benefit. It is not even evidence that this case is still pending. It only shows that the application or petition was filed on the date shown.

**If this case is an I-130 Petition** - Filing and approval of a Form I-130, Petition for Alien Relative, is only the first step in helping a relative immigrate to the United States. The beneficiaries of a petition must wait until a visa number is available before they can take the next step to apply for an immigrant visa or adjustment of status to lawful permanent residence. To best allocate resources, USCIS may wait to process forms I-130 until closer to the time when a visa number will become available, which may be years after the petition was filed. Nevertheless, USCIS processes forms I-130 in time not to delay relatives ability to take the next step toward permanent residence once a visa number does become available. If, before final action on the petition, you decide to withdraw your petition, your family relationship with the beneficiary ends, or you become a U.S. citizen, call 800-375-5281.

**Applications requiring biometrics** - In some types of cases USCIS requires biometrics. In such cases, USCIS will send you a SEPARATE appointment notice with a specific date, time and place for you to go to a USCIS Application Support Center (ASC) for biometrics processing. You must WAIT for that separate appointment notice and take it (NOT this receipt notice) to your ASC appointment along with your photo identification. Acceptable kinds of photo identification are: a passport or national photo identification issued by your country, a drivers license, a military photo identification, or a state-issued photo identification card. If you receive more than one ASC appointment notice, even for different cases, take them both to the first appointment.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
